Please provide a brief description of the project.

What other organizations, groups or individuals (if any) are involved in this project?

What is the overall purpose and specific objectives of the project? How will project success be measured?

Projects funded by the Mississippi Hills Heritage Area Alliance must meet one or more of the goals identified in the Management Plan. Projects that address two or more goals are highly encouraged. Please read the Grant Guidelines for details on each of these goals and state which goal(s) the project addresses.

- *Interpretation & Education
- *Cultural & Heritage Tourism
- *Heritage Resource Conservation & Enhancement
- *Partnership Development

How does the project address the relevant goal(s)?

The most successful projects will meet the following standards. Please describe how the project meets these criteria. Supplementary documentation may be included in the application materials.

- * Encourages collaboration and leverage resources of multiple parties to achieve goals.
- * Respects the carrying capacity and authenticity of heritage resources.
- * Exhibits a high degree of quality including high standards for planning and design.
- * Shows strong potential for sustainability and the capacity to manage after completion.
- * Establishes realistic and clearly defined outcomes.
- * Addresses sites or resources that are regionally or nationally significant.
- * Can be completed in a timely manner.
- * Includes evaluation criteria to measure the outcome of stated goals.

Are there other options for funding this project? What will happen if this funding request is not approved?

Has the applicant (individual or organization) received grant funding from other sources before? If so, what is the status of the project(s)? Did the project(s) succeed in meeting its goals?
